CIRCULATION
5,000

AVE £1,000

8. Marrakech, Morocco

“A combination of strong governance, cultural richness, a liberal society and all year sunshine, have been a magnet for inward investment to Morocco. Tourism has been quietly growing year on year for over a decade, the property market is starting to show real signs of maturity and the country's economy goes from strength to strength. This coupled with Morocco's tough policy on domestic security have made it one of the world's number one emerging markets with a robust investment outlook.”

Anwar Harland-Khan, CEO, L'Amandier, Marrakech (www.lamandierhotel.com)
