16. Build relationships

"Firstly, get to know the developer personally as this will give you a real insight into the development. It will also mean that you are likely to be kept fully updated throughout the process with regards to completion dates etc.

Secondly, it is essential to make sure that you conduct proper due diligence. At L'Amandier we provide detailed information to all of our clients and ensure that they use lawyers who understand the local legal system and can guide them clearly through the purchase process. This ensures that the experience remains as stress-free and straight-forward as possible."

Anwar Harland-Khan, CEO, L'Amandier, Marrakech (www.lamandierhotel.com).
