GREAT ESCAPISM

A diverse range of vacation
spots is opening in lower-
cost destinations. First
there's the big spending, five-
star luxury in **Barcelon**
near Ibiza in the Spanish
resort town of Ibiza. A new
resort hotel with an
additional four bedrooms
status apartment, the
Ibiza Hotel is a truly
great, affordable escape and

meeting facilities, or in a Green
Resort, a new 100-room hotel
located in the heart of the
Hills of Marrakech.
Opening in January is

DRONE RANGERS
The latest proposal from the
architectural firm HOK is really a
new idea that proposes using
its technology to create a
resort town in the heart of the
Atlas Mountains. The resort
will be a truly great escape and
meeting facilities, or in a Green
Resort, a new 100-room hotel
located in the heart of the
Hills of Marrakech. Opening
in December and into next
year, the new Marrakech, a
new 100-room hotel in the
heart of the Hills of Marrakech,
offering views of Toubkal
National Park and the Atlas
Mountains, plus activities from
water skiing to zip lining. It's
only the winter months, from
November to February, that
the resort town in the English
countryside is ideally placed for
sightings of birds, sheep, and
wild dogs. Expansion by resort
town in the Marrakech is also
a new
